About us

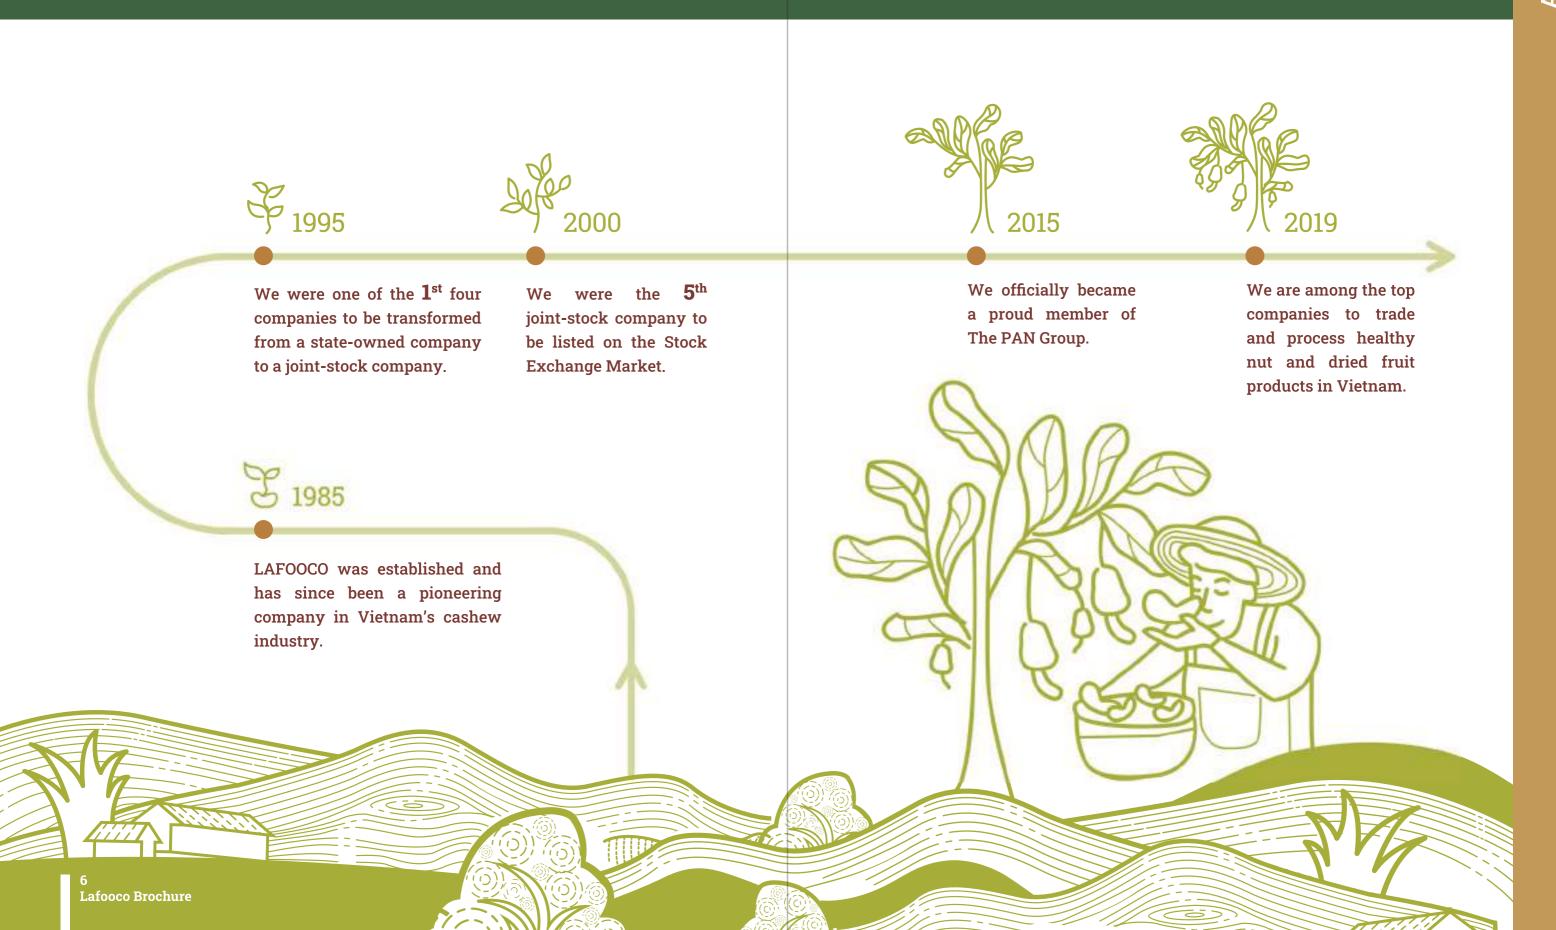

Founded in 1985, LAFOOCO – a member of The PAN Group – is a pioneering healthy nut and dried fruit trading and processing company based in Long An province, Vietnam.

As a top producer and exporter of nuts and dried fruits in Vietnam, we deliver our products globally to the US, Europe, China, Australia, Japan and the Middle East, and are proud of being the only nut company to be listed on the Vietnamese Stock Market. With substantial growth, we have expanded our portfolio with other healthy nuts and dried fruits.

Our History

Our memorable milestones throughout the years:

Our vision

Our vision is to be the best Vietnamese trading and processing company to supply premium quality nuts and dried fruits globally through dedicated and innovating services.

Our mission

LAFOOCO's mission is to deliver high-quality nuts and dried fruits to Vietnamese customers and high-end markets worldwide. We strive to provide a transparent and dependable service through continuously innovating our business practices in both social and corporate aspects.

Leader in the market

Our commitments

- Innovating day-to-day business practices.
- Motivating our employees to contribute and develop themselves.
- Ensuring the best conditions and benefits for farmers.
- Improving our working ethics and manufacturing processes.
- Minimizing our environmental footprint to enhance our corporate social responsibility.

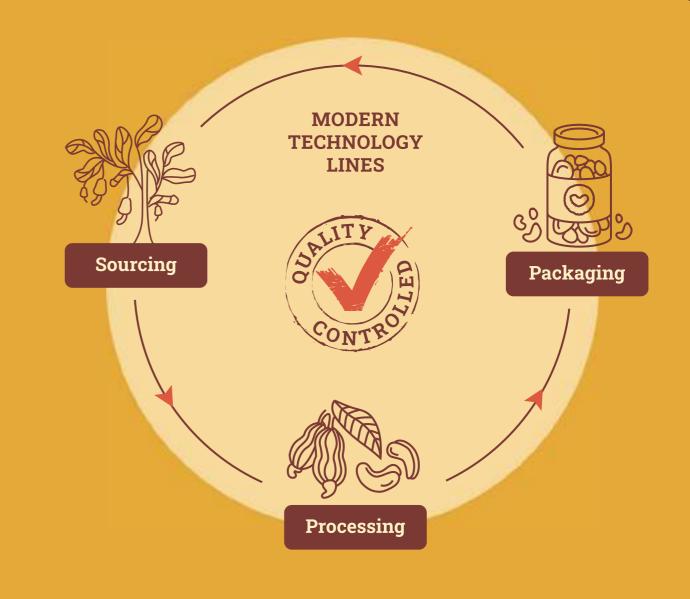

all processes from start to finish.

We have expanded our organic cashew farm to catch up with the growing demand under strict control in using organic fertilizers, training farmers how to take care of plants, avoiding using chemicals during growing periods. Thank to our closed circuit control, our organic cashews are EU and USDA organic certified.

Our value chain

LAFOOCO continuously innovates production lines with state-of-the-art technology from sourcing, processing to packaging.

Our production process is controlled under global standards such as BRCGS, HACCP, HALAL, SMETA-SEDEX.
